Summary of Ticket Number and Requests for General Module – Drug Non-Drug Catalogue

No.	Ticket #	Description	Requests	Solution
1.	I-PhIS020 617517S	<u>Drug/non drug catalogue- Item default appear HQ inactive (APPL)</u> User Mr Choo reported item J07CA06963P3001XX status HQ status inactive for all item under APPL. User inform only LP and contract HQ active. User unable to select item under HQ active due only appear for APPL but status HQ inactive. Drug code : J07CA06963P3001XX Drug name : Diptheria-Tetanus-Pertussis-Inactivated Polio Virus-Haemophilus Influenza B (DTaP-IPV- Hib) Vaccine	Request allow to choose LP/Contract item as default item if APPL item is inactive.	1) To allow to set LP/Contract item as default item if APPL item status is Inactive at HQ. If HQ status is active, it should use APPL item as default item.
1.	I-PhIS020 960417S	<u>Drug/Non-Drug Catalogue - Request to allow to choose LP/Contract code if APPL is inactive</u> Encik Hamdan request, allow to choose LP/Contract code if APPL is inactive.	Request allow to choose LP/Contract item as default item if APPL item is inactive.	
2.	I-PhIS018 612317S	<u>Drug/non drug catalogue - Request able to set LP item in item default.</u> User reported unable to set Item Default for LP item in drug/non drug catalogue if have item code for APPL item. User request able to set LP item in item default if APPL item status inactive.	Request allow to choose LP/Contract item as default item if APPL item is inactive.	
3.	I-PhIS021 588117S	<u>Drug/Non Drug Catalogue - Unable to set item default</u> Pn Syamimi report she unable to set item default for item Glibenclamide 5 mg Tablet due to when she search the item code A10BB01000T1001XX.01 to set as item default, it not appear at search listing field. She try to search using item code and item description but still cannot find the item code.	Request allow to choose LP/Contract item as default item if APPL item is inactive.	
4.	I-PhIS021 751017S	<u>Drug/Non Drug Catalogue - Unable to select item default</u> Mohd 'Izzat Idris reported unable to select item default of contract item. Reported drug consist of 5 items which are 3 APPL item, 1 contract item and 1 LP item. All APPL item already inactive in HQ status. He want to change to contract item by	Request allow to choose LP/Contract item as default item if APPL item is inactive.	

No.	Ticket #	Description	Requests	Solution
		system only display APPL item for selection. Drug Code: J07CA06963P3001XX		
5.	I-PhIS033 9 07318S	<u>request to allow user to set default for LP item for Drug/Non-Drug Catalog</u> user en Steven request system to allow user to set default for LP item for Drug/Non-Drug Catalogue as for item list item S02CA03991D1001XX, APPL item HQ status is inactive. user inform if user unable to set default item as LP, user facing difficult to using RPL LP module and user have to using supplementary order. S02CA03991D1001XX Polymyxin Neomycin Hydrocortisone	Request allow to choose LP/Contract item as default item if APPL item is inactive.	
6.	I-PhIS044 595218S	<u>Drug/Non Drug Catalog - Request to allow contract item to set as item default</u> En Azmi request to allow contract item to set as item default at Drug/Non Drug Catalog other than APPL item.	Request allow to choose LP/Contract item as default item if APPL item is inactive.	
7.	I-PhIS026 463118S	<u>Drug-non drug catalog-Request to add column "SPUB"</u> En Shuhaimi requested to add column "SPUB" in drug non drug catalog to facility. The value might be "Yes " or "No".This function will enable facility to indent / received the item without set buffer level , min/max storage for the item. The item will be allowed to level 2 level 3 user to indent the item automatically. Also "SPUB" flag might be include in unit catalogue list to allow the facility to do that unit to do SPUB indent for the item and not allow the item to be indent as normal item. If the item set as SPUB "YES" the item will not appear during purchasing or doing RIL/RPL. This is because the facility will not purchase the item from supplier. facility will indent it from other facility. Example : Hospital seberang Jaya is not specialize in cardio so this facility will only indent the item from other facility that always keep the item.	Allow to configure SPUB item in drug/non-drug catalogue	2) To add new flag for 'Purchase Flag' in drug/non-drug catalogue. User is allowed to configure the flag as 'Yes' (in order to do purchasing), if item is active at facility and HQ level.
8.	I-PhIS018 973217S	<u>Drug Level (HQ Status)</u> To change flow for distribution, if Drug Level (HQ Status = Inactive), can do all distribution process except Purchase Order	if Drug Level (HQ Status = Inactive), can do all distribution process except Purchase Order
