1.0 Introduction

1.1 Overview of PhIS

Pharmacy Information System or better known as PhIS, is a complete and comprehensive system that integrates pharmacy related services that geared toward pharmacy excellence. PhIS implementation would transform most of current manual process to electronic system would benefit facility end user in the health care sector.

There are 12 modules to assist services delivery by the health care sector which comprises of:

1. Order Management
2. Inpatient Pharmacy
3. Outpatient Pharmacy
4. Medication Counselling
5. Ward Pharmacy
6. Pharmacy Inventory
7. Manufacturing of Cytotoxic Drug Reconstitution, Parenteral Nutrition, IV Admixture & Eye Drop, Radiopharmaceuticals and Extemporaneous
8. Adverse Drug Reaction & Drug Allergic (ADR & DAC)
9. Clinical Pharmacokinetics Services (TDM)
10. Drug Information & Consumer Education (DICE)
11. Medication Therapy Adherence Clinic (MTAC)
12. Data Mining (PhARM)

1.2 Purpose and Objectives

This user manual outlines the Product Complaints sub-module and its key features and functionalities. The primary objective is to guide user through the process of completing PhIS application process.

User will understand the following activities in detail:

- Create New Product Complaints Record
- Product Complaint Investigation

1.3 Organised Sections

These are the sections within this document:

- Section 1 : Introduction
- Section 2 : Application Standard Features
- Section 3 : Product Complaints

3.0 Product Complaints

Overview

The Product Complaint module allows any user to lodge their complaints online about a product and the complaint form will be sent to the Drug Information Services Unit set by the facility. Pharmacist in charge will receive the product complaint as a message in the Task List and perform internal investigation.

User Group

This module is intended for storekeeper and pharmacists at the Pharmacy Store, Pharmacist and Assistant Pharmacist at the Sub Store; Sister and Nurse at the unit/ward.(subject to user assign by the facility)

Functional Diagram

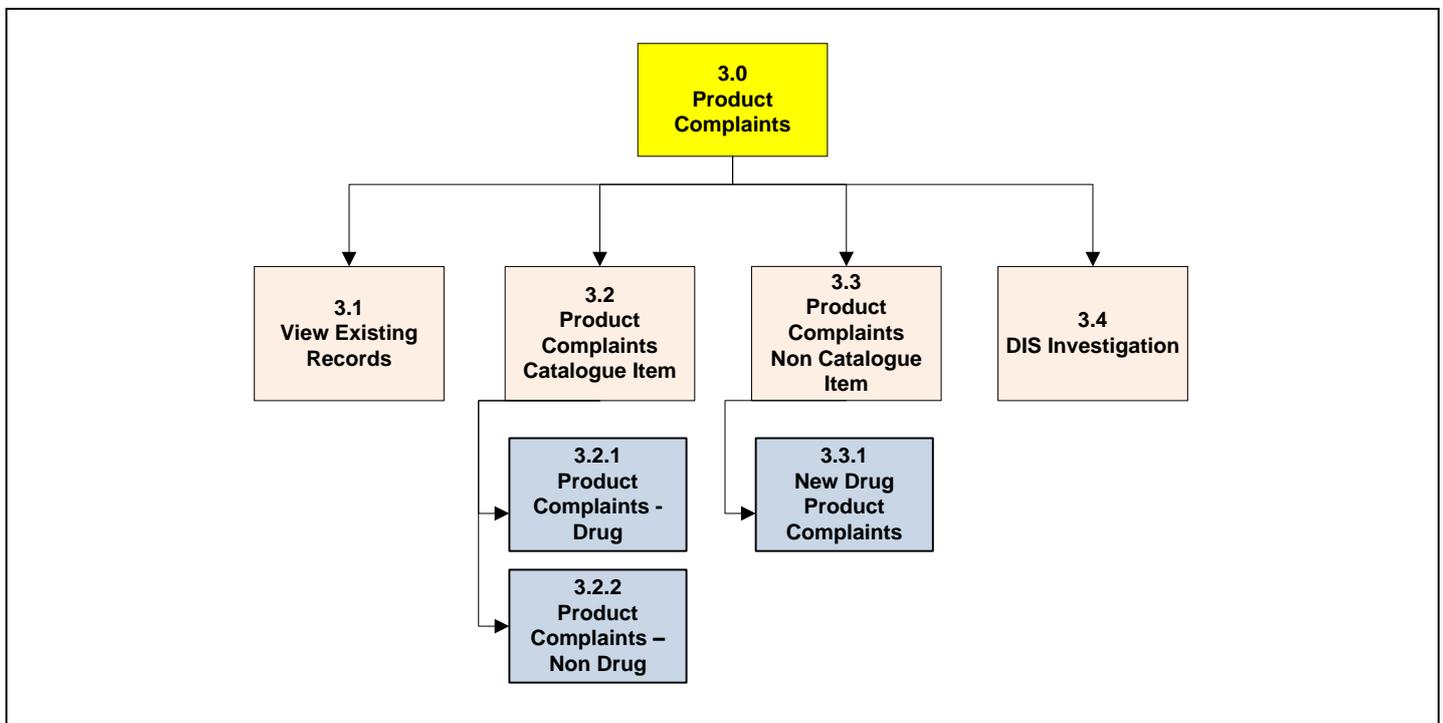

Figure 3.1

Functional Description

Product complaints comprises of four (4) main functions:

- **Product Complaints**
This function allows user to view all existing transactions
- **Product Complaints Catalogue Item**
This function is used to create new product complaints that are listed in the drug catalogue item
- **Product Complaints Non Catalogue Item**
This function is used to create new product complaints that are listed in the non-drug catalogue item
- **Product Complaint Investigation**
This function allows user to receive and investigate the validity of a complaints received on a product

3.1 View Existing Product Complaints Record

To view existing Product Complaints record, perform the steps below:

The screenshot shows the 'PHARMACY INFORMATION SYSTEM' interface for 'HOSP. PAKAR SULTANAH FATIMAH'. The left-hand menu has 'Inventory' circled in red with a '1'. Under 'Inventory', 'Product Complaints' is circled in red with a '2'. The main content area has search filters for 'Complaint No.', 'Complaint Date From', 'Complaint Date To', 'Complaint Status', and 'Complaint Classification', with a 'Search' button. The 'Complaint Type' dropdown is also circled in red with a '3'. Below the filters is a table with columns: Complaint No., Complaint Date, Complaint Type, Item Description, Item Code, Product Name on Label, Complaint Classification, and Complaint Status. The table contains several rows of complaint records.

Figure 3.1-1 Create New Product Complaints

STEP 1

Click on 'Inventory' menu and click on 'Inventory Management' Sub-Menu

STEP 2

Click on 'Product Quality' and click on 'Product Complaints' Sub menu

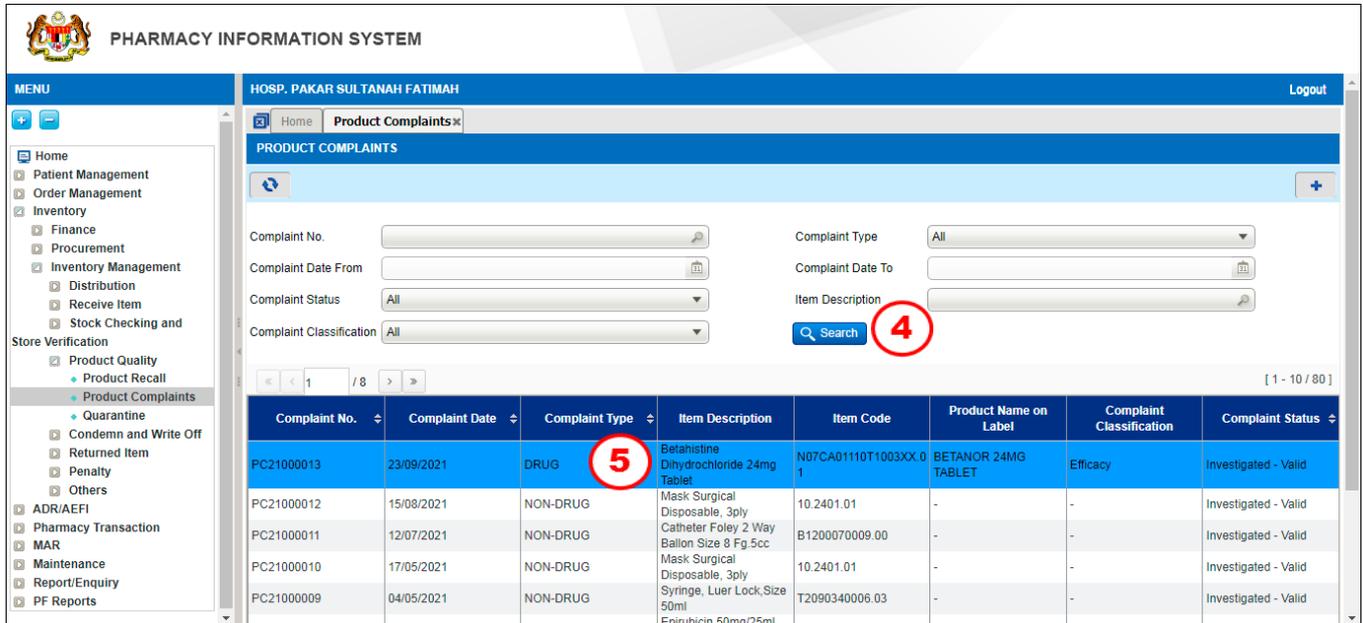

STEP 3

To search for existing Product Complaints record(s), search by criteria as follow:

No	Field	Description	Remarks
a	Complaints No.	Product complaints Number	Display all existing Product complaints No. belongs to the requester unit

STEP 8

Click on  the button to save the record

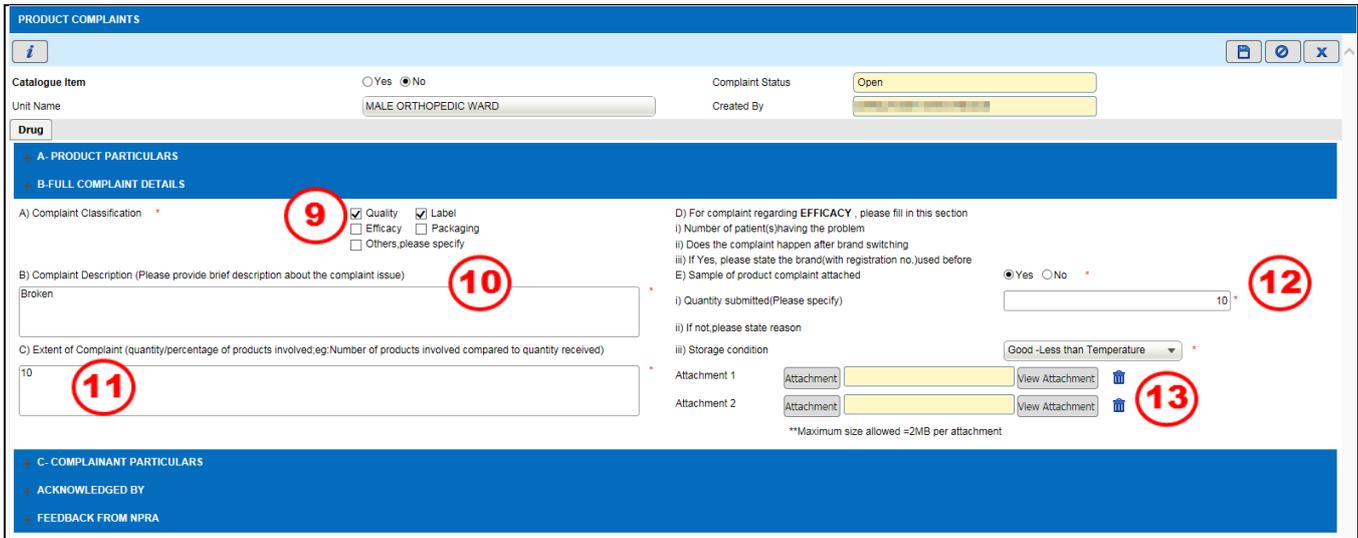

Figure 3.3.1-5 Full Complaint Details

STEP 9

Select the **Complaints Classification** checkbox as appropriate and user can select more than one.

- Quality
- Efficacy
- Label
- Packaging
- Others

Note

If the user selects the Complaints Classification as Others, Please Specify Field will be displayed.

STEP 10

Enter **Complaints Description**

STEP 11

Enter **Extent of Complaints**

Note

- If the **Complaints Classification** is selected as Efficacy, these fields will be enabled for the user to enter/select:
 - iii. Number of Patient(s) having the problem.
 - iv. Does the Complaints happen after Brand switching?
- If 'Yes' radio button is selected for 'Does the Complaints happen after brand switching', User has to state the iii) brand (with Registration No.) used before.

STEP 12

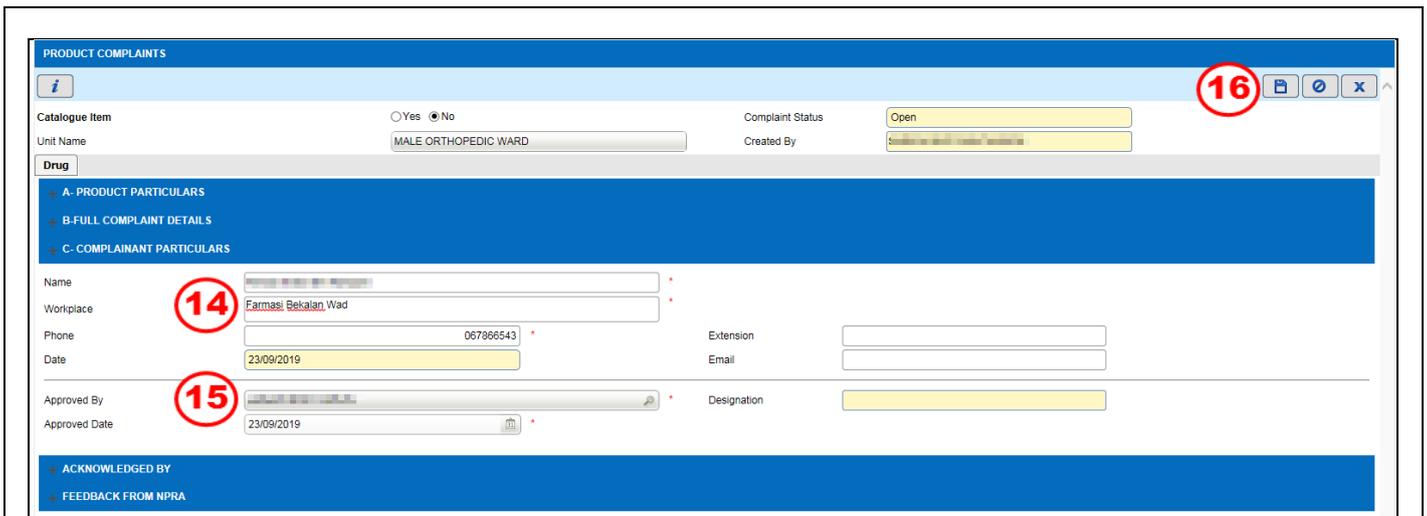

Select from the Yes/No radio button for **Sample of product Complaints attached**

Note

- If 'Yes' radio button is selected, user has to state the i) Quantity submitted and the ii) Storage Condition.
- If 'No' radio button is selected, user has to state only the ii) Reason

STEP 13

Click on the  button to attach any document related on the complaint

The screenshot shows a web form titled 'PRODUCT COMPLAINTS'. At the top right, there are window control buttons (minimize, maximize, close) with a red circle '16' around them. Below the title bar, there are fields for 'Catalogue Item' (radio buttons for Yes/No), 'Complaint Status' (dropdown menu showing 'Open'), 'Unit Name' (text field with 'MALE ORTHOPEDIC WARD'), and 'Created By' (text field). A 'Drug' dropdown is also present. The main form area is divided into sections: 'A- PRODUCT PARTICULARS', 'B-FULL COMPLAINT DETAILS', and 'C- COMPLAINANT PARTICULARS'. Under 'C- COMPLAINANT PARTICULARS', there are fields for 'Name', 'Workplace' (containing 'Farmasi Bekalan Wad'), 'Phone' (containing '067866543'), 'Date' (containing '23/09/2019'), 'Approved By' (with a user selection icon and a red circle '15'), and 'Approved Date' (with a calendar icon and a red circle '15'). There are also fields for 'Extension', 'Email', and 'Designation'. At the bottom of the form, there are sections for 'ACKNOWLEDGED BY' and 'FEEDBACK FROM NPRA'.

Figure 3.3.1-6 Full Complainant Particulars
