1.	I-PHIS016017416S	PF 6.3(a) Report - Unable to retrieve CP4 statistics for "Intra-facility"	Good evening. I would like to log an issue. When we generate CP4 statistics in PF 6.3 (a) report, we are unable to retrieve CP4 statistics for "Intra-facility" (please see the attachment), it shows zero value in this intra-facility column. Intra-facility is applicable when we use CP4 to refer patients within Kulim Hospital. Please advice. Thanks.	<ol style="list-style-type: none">1) Align the space between each line2) Selection for answer to be in 2 lines3) Inter- Facility to be in search field (refer attachment)4) Intra- Facility (New column) and data to be captured in report PF 6.3 (a)
