

Proposed Solution

No.	Ticket #	Description	Requests	Proposed Solution
1.	I-PHIS012693515S	TDM - Weight and Height need to compulsory fill up by doctor	The weight and height should be made compulsory for doctor when TDM request is made. Currently, the pharmacist is made compulsory to fill in the weight and height of the patient. Recommendation cannot be saved and confirmed if the details are not available.	1) To autocapture height & weight fill up during TDM Order
2.	I-PHIS012724915S (Main Ticket)	TDM Reporting - Compulsary height and weight	User requested remove compulsory height and weight for pharmacy TDM, and make it compulsory for doctor once order TDM because of only doctor have patient info.	2) Actual sampling time, to be displayed (in details table next to actual drug admin)
3.	I-PHIS012440415S	TDM - There is a mandatory to fill in patient's height	Request for Height patient not to be a mandatory to be fill in TDM module as, currently practices in the facility they didnt make it as compulsory information as some cases patient's is bed ridden case that unfit to check their height.	3) TDM Report printing - To rename sampling date time to 'Actual Sampling date time'
4.	I-PHIS012876515S	TDM - Reporting Screen	1)TDM reporting - Actual sampling time, to be displayed (in details table next to actual drug admin) 2)Diagnosis - pharmacist to enter the diagnosis in order remarks. (make it mandatory and increase the length)	4) TDM Report printing - To add drug dosage and frequency in TDM report printing
5.	I-PHIS013251416S	TDM Reporting - request to change sampling date time to actual date time	User request to change sampling date time to actual date time . User always report doctor wrong key in sampling date time that effect actual date time and user need to adjust it .	
6.	I-PHIS013984316S I-PHIS012439815S	TDM Result Reporting - Request to include Current Dosage Detail of drug	User suggest to show the current dosage detail of drug.	

Function Flow	TDM Reporting in current Version 1.5	TDM Reporting in new Version 1.6
<p>1. TDM Reporting Screen</p>	<p>1) To autocapture height & weight fill up during TDM Order - Currently user need to fill in the height & weight if want to proceed with this report</p>  <p>If not alert message will appear as below:</p> 	<p>1) Height & weight has been autocaptured from the TDM Order, user no need to update height & weight each time doing reporting</p>
